Gender	What your most favorite topic covered?	Why would you recommend this course to Grade 5 students?	What topics do you think you will use in the future?
Male	Digital Imagery	I think mR. Sturgeon is awesome.	
Male	Educational Websites	I think that studetns should be prepared to learn a lot of different things. Some they will find useful right away, whil others will make it easier to understand more complicted tech skills in the future. Also , be ready to share what you know with others. In return, you will learn form your classmates.	
Female	Movie Making-iMovie	In IT my most favorite thing to do was make our movies on imovie, I'm sure everyone else will enjoy it too	Cartoon Creation, Programming, Movie Making-iMovie
Male	Movie Making-iMovie	yes beacsue hey might help other students if they have a project on imovie so it will be much easier for other people to get help	Cartoon Creation, MS Word Toolbars, Educational Websites, Movie Making-Photostory, Movie Making-iMovie
Male	Movie Making-iMovie	because it is helpful and very intresting.	Movie Making-iMovie
Female	Movie Making-iMovie	Why Not????! IT is my favorite subject in fifth grade because it is fun and you get to learn a lot!!!! IT IS AWESOME!!!!!!!!!!!! :D	Movie Making-iMovie
Female	Movie Making-iMovie	its great,fun and exciting.you will still learn something but you will always have a great time, so aslong as you behave you will have a great time.llearn is awesome!	Cartoon Creation, RSS subscribing, Movie Making-Photostory, Movie Making-iMovie
Female	Movie Making-iMovie	I think that this couse is very cool because you learn a lot of interesting tech stuff and you have lots of fun while you do it. I think it's also great because MR. STURGEON teaches it and I don't think it would be as fun if MR. STURGEON didn't teach it. IT is very free spirited as in it doesn't matter what other people think and that you can basically do anything you want.	Programming, Inspiration Webs, MS Word Toolbars, Movie Making-Photostory, Movie Making-iMovie
Male	Movie Making-iMovie	I would recommend this course because you will eventually run into a computer at one point in their life, and this course will help you better prepare for it. Also, it's kinda fun.	Inspiration Webs, MS Word Toolbars, RSS subscribing
